Congratulations on your decision to invest in yourself! Our qualified, nationally certified personal trainers will provide you with the right information and the right training to help you achieve your goals. Before you get started with a personal fitness trainer, please follow the instructions detailed in the checklist below.

**CHECKLIST**

- Read and complete the following forms:
  - Participant Information (on back of this form)
  - Pre-participation Screening
  - Physician’s Release (if necessary based on answers to Pre-participation Screening)
- **Submit the completed forms to the FITWELL Services desk prior to your first appointment**
- Look forward to your personal fitness trainer contacting you within 2 business days to set up your first appointment.
- Purchase session(s) at Sales & Cashiering, JWC 1st floor, or the FITWELL Services desk at KREC prior to your first appointment.
- Contact Amber Brown, Asst. FITWELL Program Director, at (310) 206-4924 or abrown@recreation.ucla.edu with any questions or concerns.

We look forward to helping you achieve your goals!

Healthy Regards,

Dear Doctor:

Your patient __________________________ wishes to start a personalized training program through the UCLA Recreation Personal Fitness Training Program. Exercise recommendations provided by the trainer will start easy and become progressively more intense depending on the client’s goal and fitness level. Qualified staff will administer all fitness assessments and exercise.

If you know of any medical or other reasons why participation in the program by the client would be unwise, please indicate so on this form.

Report of Physician

_______ I know of no reason why the applicant may not participate.

_______ I believe the client can participate, but I urge caution because:

________________________________________________

________________________________________________

________________________________________________

*My patient is taking medications that will affect heart rate response to exercise. The effects are indicated below:

Type of medication ____________________________________________

Effect _______________________________________________________

Restrictions for exercise________________________________________

_______ The client should not engage in the following activities:

________________________________________________

________________________________________________

________________________________________________

_______ I recommend that the client NOT participate.

Physician Signature: ______________________ Date: ____/____/____
