# UCLA RECREATION’S PHILOSOPHY
Providing excellent educational and leisure opportunities is evident in all of our youth programs, which emphasize each child’s needs and personal development while working in a group.

# STAFF CERTIFICATION
Community First Aid and cardiopulmonary resuscitation by the American Red Cross.

# INCLUSION
UCLA Recreation Summer Camps have a philosophy of inclusivity in all of our programs. This applies to campers and their families regardless of physical or cognitive ability, sexual orientation, gender identification, race, or religion. It is essential that all members of our community are aware that they are choosing to participate in an organization that holds this value and understand that our participant expectations of campers and their families is reflective of this philosophy.

UCLA Recreation provides inclusive opportunities for campers with special needs. Campers with special needs are included in activities with their typically developing peers and follow a schedule that may include activity modification, social skills and behavior coaching throughout the day. As campers are fully integrated into the typical camp experience, a camper assessment with our adaptive coordinator may be needed to ensure the best match between camper needs and program structure. If your camper or family has a need that could require additional support, we expect that you will proactively work with our staff to create a camp plan that will facilitate success for your camper. For the safety of all staff and participants, programs are not designed for children who have significant non-compliant, flight, or aggressive behaviors. All campers, regardless of ability, are expected to comply with behavior expectations.

Recreation membership offers flexible options across campus to meet your family’s recreation and fitness needs. Purchase a Bruin Family Membership for access to the Sunset Canyon Recreation Center and the John Wooden Center or opt for a Sunset Seasonal Family Membership to swim in our four outdoors pools on campus. Your membership is also your ticket to a wide range of activities and facilities, including fitness classes, swimming, tennis, martial arts, and the UCLA Marina Aquatic Center. For more information about UCLA Recreation membership, call 310.206.8373.

NOTE: An annual Recreation membership is defined as seven or more consecutive months of membership. All dependent memberships also require the purchase of one adult membership.

Due to administrative costs, a fee is charged for transferring between programs.
1. A $25 transfer fee applies to each transfer between camp options, sessions, or weeks per child.
2. Transfers must be submitted in writing to the Sales & Service office on the 1st floor of the John Wooden Center at least three business days prior to the start of the session or week. The transfer fee must be paid at the time the request is approved.

SWIM LESSONS
Lessons available for all ages

INSTRUCTORS
UCLA Recreation swim instructors have Water Safety Instruction (W.S.I.) certifications or a comparable level of training and instructional experience and are capable of multi-level instruction. While we make every effort to preserve instructor continuity, we cannot guarantee it.

MAKE-UP LESSONS
Due to the popularity of our swim lessons, UCLA Recreation is unable to reschedule or make-up lessons missed by participants. In the event of an unexpected facility closure, program or instructor error participants will be issued a pro-rated refund or rescheduled on a space available basis.

TRANSPORTATION
With the exception of campers enrolled in the Extended Swim program, UCLA Recreation does not transfer campers from a camp program to a Private or Semi-Private Swim Lesson as swim lessons are separate from summer camps and require an adult chaperone in the facility.

COUNSELORS IN TRAINING

Entering 9th–12th grade | Ages 14–17 years

Must be entering 9th–12th grade in Fall 2018 and at least 14 years old by December 1, 2018.

This program teaches teens to work with youth while earning community service hours. Each participant will attend mandatory trainings that will cover topics like leadership, team building, supervision of children, inclusion, CPR/First Aid certification, and other specialized trainings as necessary. Directly following the training week, CITs will be placed in a one-week volunteer opportunity in one of our camp programs. Placement in camp programs will depend upon each CIT’s age (as listed below), demonstrated strengths, and the weekly needs of each camp program. CITs must pass a swim test for programs that frequent pools or the ocean.

For Volunteer Week, CITs may choose to work an AM, PM, or all-day shift for the duration of the week. After successfully completing this two-week program, CITs may be invited to be a CIT Volunteer in our camp programs, providing them the opportunity to volunteer throughout the remainder of the summer.
