## UCLA RECREATION'S PHILOSOPHY

Providing excellent educational and leisure opportunities is evident in all of our youth programs, which emphasize each child’s needs and personal development while working in a group.

## STAFF CERTIFICATION

Community First Aid and cardiopulmonary resuscitation by the American Red Cross.

## INCLUSION

UCLA Recreation Summer Camps have a philosophy of inclusivity in all of our programs. This applies to campers and their families regardless of physical or cognitive ability, sexual orientation, gender identification, race, or religion. It is essential that all members of our community are aware that they are choosing to participate in an organization that holds this value and understand that our participant expectations of campers and their families is reflective of this philosophy.

UCLA Recreation provides inclusive opportunities for campers with special needs. Campers with special needs are included in activities with their typically developing peers and follow a schedule that may include social skills and behavior coaching throughout the day. As campers are fully integrated into the typical camp experience, a camper assessment with our adaptive coordinator may be needed to ensure the best match between camper needs and program structure. For the safety of all staff and participants, programs are not designed for children who have significant non-compliant or aggressive behaviors. If your camper or family has a need that could require additional support, we expect that you will proactively work with our staff to create a camp plan that will facilitate success for your camper.

CAMP SCHOLARSHIPS
We are pleased to offer weekly camp scholarships to dependents of UCLA students, staff, and faculty based on financial need. Scholarship applications are available at the Sales & Service office on the 1st floor of the John Wooden Center. Due to limited availability, submit your application early to ensure consideration.

DISCOUNTS

REC CARD PRICING
An annual UCLA Recreation membership—family or individual adult with an individual dependent—qualifies you for member pricing (Tier 2, Tier 4) on most camp programs. Recreation membership offers flexible options across campus to meet your family’s recreation and fitness needs. Purchase a Bruin Family Membership for access to the Sunset Canyon Recreation Center and the John Wooden Center or opt for a Sunset Seasonal Family Membership to swim in our four outdoor pools on campus. Your membership is also your ticket to a wide range of activities and facilities, including fitness classes, swimming, tennis, martial arts, and the UCLA Marina Aquatic Center. For more information about UCLA Recreation membership, call 310.206.8373.

NOTE: An annual Recreation membership is defined as seven or more consecutive months of membership. All dependent memberships also require the purchase of one adult membership.

REGISTRATION CHECKLIST
The following documents must be provided at registration by mail, fax or in-person:

- Photocopy of each child’s current immunization card.
- Each child’s physician’s name and telephone number.
- Emergency contacts and name and telephone number of individuals authorized to pick up your child from camp.
- If applicable, written authorization from the parent or guardian for you to register their child for them (i.e. “proxy” enrollment).
**Transfers & Schedule Changes**

Due to administrative costs, a fee is charged for transferring between programs.

1. A $25 transfer fee applies to each transfer between camp options, sessions, or weeks per child.
2. Transfers must be submitted in writing to the Sales & Service office on the 1st floor of the John Wooden Center at least three business days prior to the start of the session or week. The transfer fee must be paid at the time the request is approved.
3. Transfers are based on space availability and are made at the discretion of UCLA Recreation.
4. Children may give their spots only to siblings or step-siblings. Programs are not transferable to anyone outside the family.

**Absences**

Refunds are not available for vacations, special events, short-term illnesses of four or fewer days or other personal commitments that prevent attendance.

**EXTENDED ILLNESS**

A refund may be available for an extended illness of five or more consecutive program days. A doctor’s note and written note from the parent or guardian explaining the situation must be received within eight working days from the first day of absence. Upon review, participants may receive a $25 per day refund for the unused days.

**Refunds**

The parent or guardian’s signature on the registration form indicates understanding of all registration and refund policies and agreement to abide by them. All refund requests must be submitted in writing and received by UCLA Recreation by the dates listed below.

<table>
<thead>
<tr>

</tr>
<tr>

<td>Within 15 business days of purchased session: No refund after the first Monday of session or week</td>
</tr>
</tbody>
</table>

If UCLA Recreation cancels a program, a full refund will be issued.

**CASH / CHECK / CREDIT CARD**

Camp fees paid by credit card will be credited immediately upon approval by UCLA Recreation. Purchases made by check or cash will be refunded by check within six to eight weeks after approval by UCLA Recreation. Refunds will be made only to the original payee or credit card holder.

**PAYROLL DEDUCTION**

Any refund of camp fees will not be processed until after the final payroll deduction is made in early August.

**Dismissal From Camp**

There are times when the camp must dismiss a child due to psychological, emotional, or physical challenges or actions that preclude the child from participating safely or effectively in a group. If appropriate, this will result in a complete refund for the unused days.

If a camper is dismissed for disciplinary reasons, there will be NO REFUND for the unused days.

SWIM LESSONS
Lessons available for all ages

INSTRUCTORS
UCLA Recreation swim instructors have Water Safety Instruction (W.S.I.) certifications or a comparable level of training and instructional experience and are capable of multi-level instruction. While we make every effort to preserve instructor continuity, we cannot guarantee it.

MAKE-UP LESSONS
Due to the popularity of our swim lessons, UCLA Recreation is unable to reschedule or make-up lessons missed by participants. In the event of an unexpected facility closure, program or instructor error participants will be issued a pro-rated refund or rescheduled on a space available basis.

TRANSPORTATION
With the exception of campers enrolled in the Extended Swim program, UCLA Recreation does not transfer campers from a camp program to a Private or Semi-Private Swim Lesson as swim lessons are separate from summer camps and require an adult chaperone in the facility.
Private Lessons
(3–12 years)
Fee: $75 | $85 | $95 | $100 | $110
*Fee: $60 | $68 | $76 | $80 | $88
Add an additional child for a semi-private
Fee: $30

Swim Lessons are available weekdays and weekends for children aged 3-12 years. Make any lesson (for children aged 5 and above) a semi-private by adding another child for an additional $30. (A maximum of two children can be enrolled in a semi-private lesson). We highly recommend that semi-private partners are at a similar age and/or ability level. Lessons are located in the Family Pool at Sunset Canyon Recreation Center.

*No swim lessons on Memorial Day weekend or Fourth of July and Labor Day (fees are prorated).
**Parent & Child Swim Lessons**
Children must be at least 6 months old to enroll. A parent or guardian is required to accompany each child in the water and participate in the classes. The main goal of these lessons is to prepare infants and young children to become comfortable in the water so they are willing and ready to learn to swim. The class teaches parents or guardians techniques to help familiarize their child to water activities in a safe manner with songs and games.

### WATER BABIES
**(6–18 months)**
This class is for children who have either little or no water experience.
