- Wear athletic clothing, no shoes required. **Bring your own yoga mat.**

**Locations:**
- JWC: John Wooden Center
- SCRC: Sunset Canyon Recreation Center
Yoga began in India 5000 years ago. In Sanskrit, yoga means “to forge a union between mind and body.” Ancient hatha yogis recognized that the state of the body affects the mind and the state of the mind affects the body. Hatha yoga emphasizes the physical aspect of yoga. The postures or asanas practiced in hatha yoga relax, detoxify, and strengthen the body in preparation for meditation.

**ASHTANGA YOGA**
A system of yoga transmitted to the modern world by Sri K. Pattabhi Jois. It links the breath with a set series of progressive postures or asanas. It is commonly known as the “original power yoga.”

**CHILLAX CANDLELIGHT YOGA**
This hatha yoga class culminates in chillaxing, restorative poses and a final candlelight meditation.

**CORE YOGA FLOW**
A challenging yoga flow similar to power yoga that includes a segment dedicated to the core.

**GENTLE YOGA**
This class moves slowly and features the most accessible, gentle poses, for an overall healing experience.

**YOGA BARRE**
Power Yoga flow plus effective conditioning at the ballet barre.

**YOGA FLOW**
A hatha yoga class that includes segments of flow and segments of longer holds in chosen poses for greater mobility, flexibility, and strength. Yoga Flow & Meditation saves time to conclude with a final meditation.

**YOGA SCULPT**
Power yoga flow, plus moderate weight lifting, and cardio conditioning. Let’s sweat!

**YOGA TUNE UP ®**
This class blends corrective exercise, self-massage, and breath strategies to improve the three P’s – pain, posture, and performance. By helping to identify “body blind spots”, areas that are most overused, underused or misused, Yoga Tune Up ® helps to heal damaged muscle, to increase strength, and to establish healthy movement patterns.

---

**Flexible Fridays**
Free drop-in classes for students, provided by UCLA Recreation and UCLA Healthy Campus Initiative.
