BRUINS BY THE SEA

Kindergarten - Second Grade (Ages 5 - 7 years)
The Pacific Ocean is the backdrop for a week of fun and creativity by the sea. This land based camp is centered on a weekly theme and includes science activities, arts & crafts and rides on sailboats and kayaks with our knowledgeable and experienced staff.

BRUINS ON WATER

Third - Fifth Grade (Ages 8 - 10 years)
Step onboard for a week of fun where imagination meets the sea at the UCLA Marina Aquatic Center. Campers will be introduced to the wonders of the Pacific Ocean through interactive science experiments, art projects, and on-the-water aquatic activities. Campers will sail, paddleboard and kayak under the supervision of our knowledgeable and experienced staff.

SAILING

Sixth - Tenth Grade (Ages 11 - 15 years)
The horizon’s the limit as campers cast off and learn to sail with our experienced instructors. We combine land and water exercises to make a fun and challenging program with an emphasis on hands-on skills in seamanship, teamwork, and sportsmanship. Beginning campers will start in our fleet of Catalina 14 sailboats, while returning campers who have mastered the basic skills have the opportunity to progress to more challenging performance boats.

All camps are offered each week and are held at the Marina Aquatic Center (14001 Fiji Way, Marina del Rey)

FEES ($85 add on for transportation/extended care off site)
