WHAT’S INSIDE

UCLA RECREATION’S PHILOSOPHY
Providing excellent educational and leisure opportunities is evident in all of our youth programs, which emphasize each child’s needs and personal development while working in a group.

STAFF CERTIFICATION
Community First Aid and cardiopulmonary resuscitation by the American Red Cross.

INCLUSION
UCLA Recreation Summer Camps have a philosophy of inclusivity in all of our programs. This applies to campers and their families regardless of physical or cognitive ability, sexual orientation, gender identification, race, or religion. It is essential that all members of our community are aware that they are choosing to participate in an organization that holds this value and understand that our participant expectations of campers and their families is reflective of this philosophy.

UCLA Recreation provides inclusive opportunities for campers with special needs. Campers with special needs are included in activities with their typically developing peers. A pre-camp meeting with our senior staff is recommended to ensure the best match between camper needs and program structure. If your camper or family has a need that could require additional support, we expect that you will proactively work with our staff to create a camp plan that will facilitate success for your family. For the safety of all staff and participants, programs are not designed for children who have significant non-compliant, flight, or aggressive behaviors. All campers, regardless of ability, are expected to comply with behavior expectations.

CAMP SCHOLARSHIPS

We are pleased to offer weekly camp scholarships to dependents of UCLA students, staff, and faculty based on financial need. Camper Registration forms must be submitted along with camper scholarship application. Submit by April 15 to ensure consideration. Scholarship applications are available at the Sales & Service office on the 1st floor of the John Wooden Center. Due to limited availability, submit your application early to ensure consideration.

REC CARD PRICING

An annual UCLA Recreation membership – family or individual adult with an individual dependent – qualifies you for a weekly discount on most full week camp programs. UCLA Faculty, Staff and other Affiliates are eligible for a $40.00 discount off of the Tier 3 or Tier 5 price for most full camp sessions.

Recreation membership offers flexible options across campus to meet your family’s recreation and fitness needs. Purchase a Bruin Family Membership for access to the Sunset Canyon Recreation Center and the John Wooden Center or opt for a Sunset Seasonal Family Membership to swim in our four outdoors pools on campus. Your membership is also your ticket to a wide range of activities and facilities, including fitness classes, swimming, tennis, martial arts, and the UCLA Marina Aquatic Center. For more information about UCLA Recreation membership, call 310.206.8373.

NOTE: An annual Recreation membership is defined as seven or more consecutive months of membership. All dependent memberships also require the purchase of one adult membership.

Because the student fees (Tier 1) are already subsidized, and priced at less than cost, no additional discounts are available. If you need further financial support, please complete the scholarship application.
Transfers & Schedule Changes
Due to administrative costs, a fee is charged for transferring between programs.
1. A $25 transfer fee applies to each transfer between camp options, sessions, or weeks per child.
2. Transfers must be submitted in writing to the Sales & Service office on the 1st floor of the John Wooden Center at least three business days prior to the start of the session or week. The transfer fee must be paid at the time the request is approved.
3. Transfers are based on space availability and are made at the discretion of UCLA Recreation.
4. Children may give their spots only to siblings or step-siblings. Programs are not transferable to anyone outside the family.

Absences
Refunds are not available for vacations, special events, short-term illnesses of four or fewer days or other personal commitments that prevent attendance.

EXTENDED ILLNESS
A refund may be available for an extended illness of five or more consecutive program days. A doctor’s note and written note from the parent or guardian explaining the situation must be received within eight working days from the first day of absence. Upon review, participants may receive a $25 per day refund for the unused days.

Wait List Procedure
If your child is on the wait list and a spot opens, you will be contacted by phone. If you do not respond within 48 hours, your child’s spot is no longer guaranteed.

Refunds
The parent or guardian’s signature on the registration form indicates understanding of all registration and refund policies and agreement to abide by them. All refund requests must be submitted in writing and received by UCLA Recreation by the dates listed below.

If UCLA Recreation cancels a program, a full refund will be issued.

CASH / CHECK / CREDIT CARD
Camp fees paid by credit card will be credited immediately upon approval by UCLA Recreation. Purchases made by check or cash will be refunded by check within six to eight weeks after approval by UCLA Recreation. Refunds will be made only to the original payee or credit card holder.

PAYROLL DEDUCTION
Any refund of camp fees will not be processed until after the final payroll deduction is made.

Dismissal From Camp
There are times when the camp must dismiss a child due to psychological, emotional, or physical challenges or actions that preclude the child from participating safely or effectively in a group. If appropriate, this will result in a complete refund for the unused days.
If a camper is dismissed for disciplinary reasons, there will be NO REFUND for the unused days.
SWIM LESSONS
Lessons available for all ages

INSTRUCTORS
UCLA Recreation swim instructors have Water Safety Instruction (W.S.I.) certifications or a comparable level of training and instructional experience and are capable of multi-level instruction. While we make every effort to preserve instructor continuity, we cannot guarantee it.

MAKE-UP LESSONS
Due to the popularity of our swim lessons, UCLA Recreation is unable to reschedule or make-up lessons missed by participants. In the event of an unexpected facility closure, program or instructor error participants will be issued a pro-rated refund or rescheduled on a space available basis.

TRANSPORTATION
With the exception of campers enrolled in the Extended Swim program, UCLA Recreation does not transfer campers from a camp program to a Private or Semi-Private Swim Lesson as swim lessons are separate from summer camps and require an adult chaperone in the facility.

Please be sure to check dates with asterisks.
* No swim lessons on Easter Weekend, Memorial Day weekend, Fourth of July Day, or Labor Day (fees are prorated)
** No swim lessons on June 15 & 16, Fourth of July or Labor Day weekend. Lessons run 4 weeks, fees are not prorated.

Swim Lessons are available weekdays and weekends for children aged 3-12 years. Make any lesson (for children aged 5 and above) a semi-private by adding another child for an additional $30. (A maximum of two children can be enrolled in a semi-private lesson). We highly recommend that semi-private partners are at a similar age and/or ability level. Lessons are located in the Family Pool at Sunset Canyon Recreation Center. Recreation members save $15 per session.

Parent & Child Swim Lessons

Children must be at least 6 months old to enroll. A parent or guardian is required to accompany each child in the water and participate in the classes. The main goal of these lessons is to prepare infants and young children to become comfortable in the water so they are willing and ready to learn to swim. The class teaches parents or guardians techniques to help familiarize their child to water activities in a safe manner with songs and games.

**WATER BABIES**  
(6–18 months)  
This class is for children who have either little or no water experience.

Directly following the training week, CITs will be placed in a one-week volunteer opportunity in one of our camp programs. Placement in camp programs will depend upon each CIT’s age (as listed below), demonstrated strengths, and the weekly needs of each camp program. CITs must pass a swim test for programs that frequent pools or the ocean.

For Volunteer Week, CITs may choose to work an AM, PM, or all-day shift for the duration of the week. After successfully completing this two-week program, CITs may be invited to be a CIT Volunteer in our camp programs, providing them the opportunity to volunteer throughout the remainder of the summer.

IMPORTANT
CITs must attend all training days in one session and at least one full week (a half- or whole-day shift) in the camp they are assigned to train with.
