

•• YOGA DESCRIPTIONS*

Yoga began in India 5,000 years ago. In Sanskrit, yoga means “to forge a union between mind and body.” Ancient hatha yogis recognized that the state of the body affects the mind and the state of the mind affects the body. Hatha yoga emphasizes the physical aspect of yoga. The postures or asanas practiced in hatha yoga relax, detoxify, and strengthen the body in preparation for meditation.

AFRO BEAT YOGA
