CAMP BEHAVIOR EXPECTATIONS

UCLA Recreation Summer Camps have a philosophy of inclusivity and respect in all of our programs. This applies to campers, their families, staff and other UCLA community members regardless of physical or cognitive ability, sexual orientation, gender identification, race, or religion. It is essential that all members of our community are aware that they are choosing to participate in an organization that holds these values and understand that our participant expectations of campers, their families and staff is reflective of this philosophy.

*Please review the following camper expectations with your camper prior to them coming to camp.

**Camper Expectations:**

- **Friends:** Show respect to everyone you meet at camp. Understand that some campers come to camp with many friends and others all by themselves. Campers may not be friends with everyone at camp but they must be respectful to everyone at camp. We encourage campers to make an effort to make new friends which can and will include the programmatic mixing of groups and camp partners in some activities.
- **Activities:** There are a wide variety of activities that happen at camp, some of which you may not have tried before. We understand that campers may like some activities more or less than others. However, we expect campers to try the scheduled activity before they elect to sit out.
- **Community:** Each person at camp will be assigned to a group. In addition, everyone at camp is part of a larger camp community. We expect campers to be helpful to fellow campers, participate in clean-up after activities and meal times and follow counselor instructions.
- **Getting Help:** If campers or their families are having a problem at camp, the staff is there to help you. Please pro-actively talk to counselors and staff about any issues, questions or concerns you have. Sometimes counselors need help in identifying relationships, activities or skills that need extra attention.
- **Inclusion:** Everyone at camp has different skills, behaviors, and abilities. Some campers may need extra help to accomplish things that may be easy for others. We value all members of our camp community. If campers feel confused, frightened, or angry it is okay to ask your staff for help or talk through feelings. It is not okay to make fun of, tease or express meanness to other campers.
- **Violence:** We have the expectation of non-aggressive, non-violent participation in all our programs. We expect campers to approach and resolve issues in a non-physical manner and to approach staff for help. For the safety of all staff and participants, programs are not designed for children who have significant non-compliant or aggressive behaviors. If your camper or family has a need that could require additional support, we expect that you will proactively work with our staff to create a camp plan that will facilitate success for your camper (see pg. 8 **INCLUSION** for more information about campers with additional needs).
- **Safe Community Spaces:** In order to maintain a safe community space for all participants it is our expectation that campers and their families understand that the use or possession of alcohol, recreational non-prescription drugs and/or tobacco, weapons or firearms is strictly prohibited on campus and in all programs.
In framing these expectations with campers, staff utilize the language of...

"We have 3 basic rules at camp"

- RESPECT YOURSELF
- RESPECT OTHERS
- RESPECT THE ENVIRONMENT

We find that these three “rules” provide sufficient space to engage campers on any desired or undesirable behaviors while being easy to remember and define at any age. Using age appropriate language and examples, staff engage campers in “3 rules brainstorming” at the start of a new session and before transitions to new activities or when entering a new camp environment. Campers may also be asked to reflect on how their behavior could better reflect the 3 camp rules while debriefing an activity or while engaged in conflict resolution. We also encourage you to go over the above expectations and the three rules with your camper before they arrive at camp.

**Discipline Policy:**

While the safety of our participants is paramount, we also place emphasis on recognizing and responding to each child’s needs and personal development while participating in a group community environment. As often as possible we seek to engage campers in proactively defining safe and acceptable camp behaviors. When needed, we utilize guided conflict resolution, peer inquiry and discussion. Should a situation escalate, in general, our disciplinary intervention plan follows the structure below:

- **Step 1:** The camp staff will check in with the camper regarding their behavior. If needed they will pull the camper/s aside and provide the required mediation or safety modifications for immediate continued participation.
- **Step 2:** The campers will be pulled out of the activity, we will review our previous behavior agreement with the camper/s and we will keep them out of the activity or activities until it is determined that they are able to participate safely and respectfully. Camp staff may notify parents.
- **Step 3:** The camper’s parent/s (and the camper depending on the age and situation) will have a discussion with appropriate camp staff to discuss the continued participation of the camper/s in the program.

We reserve the right to adjust our disciplinary policies as appropriate to the nature of the situation, and needs of the camper/s. There are times when Youth Programs must dismiss a camper due to psychological, emotional or physical circumstances that preclude the child from participating safely and/or effectively in a group setting. (Please see the SUSPENSION OR DISMISSAL FROM CAMP section for more information on page 8).
**TRANSFERS AND SCHEDULE CHANGES**

Due to administrative costs, a fee is charged for transferring between programs.

1. A $25 transfer fee applies to each transfer between camp options, sessions, or weeks per child.

2. Transfers must be submitted in writing to the Sales & Service office on the 1st floor of the John Wooden Center at least three business days prior to the start of the session or week. The transfer fee must be paid at the time the request is approved.

3. Transfers are based on space availability and are made at the discretion of UCLA Recreation.

4. Children may give their spots only to siblings or step-siblings. Programs are not transferable to anyone outside the family.

If appropriate, this will result in a complete refund for the unused days. If a camper is dismissed for disciplinary reasons, there will be NO REFUND for the unused days.

EMERGENCY INFORMATION
Youth Programs utilizes Camp Docs to collect “Camper Emergency Information” in order to meet the needs of our participants. Instructions were included in your registration packet. Please contact the registration office at 310.825.3671 to review or update your own copy.

INCLUSION
UCLA Recreation Summer Camps have a philosophy of inclusivity in all of our programs. This applies to campers and their families regardless of physical or cognitive ability, sexual orientation, gender identification, race, or religion. It is essential that all members of our community are aware that they are choosing to participate in an organization that holds this value and understand that our participant expectations of campers and their families is reflective of this philosophy. UCLA Recreation provides inclusive opportunities for campers with special needs. Campers with special needs are included in activities with their typically developing peers and follow a schedule that may include activity modification, social skills and behavior coaching throughout the day. As campers are fully integrated into the typical camp experience, a camper assessment with our inclusion coordinator may be needed to ensure the best match between camper needs and program structure. If your camper or family has a need that may require additional support, we expect that you will proactively work with our staff to create a camp plan that will facilitate success for your camper. For the safety of all staff and participants, programs are not designed for children who have significant non-compliant, flight, or aggressive behaviors. All campers, regardless of ability, are expected to comply with behavior expectations.

MEDICATIONS
If your child requires medication during the course of the camp day it must be noted on their camper emergency form or Camp Docs, and you must also fill out a Camper Medical Distribution Form. Camper Medical Distribution Forms can be obtained at the camp office. UCLA Recreation is allowed to dispense prescribed medication in its original packaging only. We are prohibited from dispensing over-the-counter medications or supplements unless we receive a physician’s note detailing the prescribed dosage.

LOST & FOUND
Lost and Found items are stored at SCRC mezzanine and the camp office at JWC. After two weeks, unclaimed lost and found items are donated. UCLA Recreation is not responsible for any items lost during camp or while on field trips. We encourage you to clearly label all of your children’s items with their first and last names in permanent ink.

MANDATED REPORTING
UCLA Recreation Youth Programs employees are mandated by California State Law to report any suspected cases of child abuse or neglect directly to the appropriate authorities for investigation. While we have established internal procedures to facilitate reporting and apprising supervisors, we cannot by law require our employees to disclose his or her identity to anyone.

FOOD
We have a no sharing policy when it comes to lunches, snacks, or other food brought by campers. If you would like to bring food for a birthday or other special occasion, please contact the Camp Office.
**ELECTRONIC DEVICES AND PERSONAL TOYS/CARDS**

Electronic devices such as tablets, computers, cell phones or any handheld electronic device, etc. are not to be used during camp hours as they interfere with successful participation in activities and are subject to loss or damage. We also highly discourage campers from bringing personal items like collectable playing cards and toys (including toys included in pre-packaged lunches and snack packs). In the event that a camper is found with one of these devices, a verbal warning will be given. If staff sees it again, we reserve the right to confiscate it and parent will be notified to pick up the item at the end of the day. Youth Programs and staff is not responsible for any items that are lost or damaged while in our possession.

**SUN SAFETY**

Please send your child to camp with waterproof sunscreen (SPF 30 or higher), with your child’s name clearly marked on it. We have designated sunscreen breaks throughout the day when we remind campers to re-apply. Please send your child to camp with sunscreen that has been proven successful. Helpful Suggestion: Try applying all-day waterproof sunscreen on your child before he/she leaves for camp. Sunscreen should be applied to exposed areas and areas under clothing that may be removed during the day, such as shirts or cover-ups. Our female counselors will help children that cannot apply sunscreen by themselves.

- For additional sun protection, we recommend wide brimmed hat, rash guards, sunglasses, etc.
- We do our best to see that your child is protected from sun exposure; however, during active play, water play, swimming and/or water sports on a warm sunny day, we cannot guarantee that sunscreen will remain effective or will not wash away.

**GROUP /FRIEND REQUESTS**

We recognize that many campers have come to camp with existing friend groups and we strive to honor requests to keep friends together as often as we can. We group children together based on the following criteria in the following order: camp program, age level, and skill level. We typically discourage children of vastly different age or ability levels from being put together in a group. We will not move younger children into an older group to accommodate a friend request. In some cases we sometimes move the older or more skilled child to the younger or less skilled group.

**If you would like your camper to be placed in a group with his or her friends, please visit us online (recreation.ucla.edu/summercamps) for the group request link. Requests must be received at least one week prior to the start of the applicable camp program(s). You may request up to 2 friends for your camper. Requests must be submitted by all participant families involved to be honored.**

This advance notice is necessary for us to make the appropriate changes to our groups and schedules. While we will do our best to honor friend/group requests, we stress that some requests may be impossible due to the constraints of the program. We also reserve the right to adjust groups after the start of programming in response to group dynamics.
CAMP INFORMATION

CAMP COMMUNICATION
Youth Programs sends out a weekly email that includes information on camp schedules, camper needs, fieldtrips, and special events as they apply to each camp program. The camp schedules will also be posted on our website each week. If you are not receiving our emails while in camp, please email us at youthcamps@recreation.ucla.edu or contact the Camp Office. For current camp information visit recreation.ucla.edu/summercamp.

CAMP NICKNAMES
In the spirit of making camp a fun and unique environment, all of our counseling staff uses nicknames during programs. While “real” names are available to parents upon request, we have found that most campers enjoy the community created with nicknames. We respectfully request that parents keep counselors “real” names to themselves in support of this special camp culture.

CAMP DRESS CODE
Campers should wear comfortable clothing that is functional for hard and messy play. Athletic or soft soled shoes (NON-MARKING with CLOSED TOED, LACED, BUCKLED, OR VELCRO CLOSED) are required for all camp activities. Sandals and flip-flops (thongs) are highly discouraged due to safety concerns. Please do not send your child to camp in CROCS or wheeled tennis shoes.

Please send your child to camp with waterproof sunscreen (SPF 30 or higher), with your child’s name clearly marked on it. We have designated sunscreen breaks throughout the day when we remind campers to re-apply. Please send your child to camp with what has proven successful. Helpful Suggestion: Try applying all-day waterproof sunscreen on your child before he/she leaves for camp. Sunscreen should be applied to exposed areas and areas under clothing that may be removed during the day, such as shirts or cover-ups. Our female counselors will help children that cannot apply sunscreen by themselves. We appreciate spray on, hands free sunscreen.

- For additional sun protection, we recommend wide brimmed hat (labeled), rash guards, sunglasses, etc.
- We do our best to see that your child is protected from sun exposure; however, during active play, water play, swimming and/or water sports, we cannot guarantee that sunscreen will remain effective or will not wash away.

Swimming

Your child is enrolled in a camp that includes swimming and water play in the weekly curriculum, therefore you should send them to camp with a swimsuit, towel, sunscreen and plastic bag for wet clothing every day. Shoulder length hair or longer should be worn in a pony tail style. Please no bobby pins as they clog the pool filters and drains. Masks, snorkels, fins, water wings, vests and swim toys are not allowed. Children will have the ability to change into their swimsuits prior to swimming. If your child wears their swimsuit to camp, please have them bring their underwear to change into after swimming. Due to health concerns, it is not advisable to leave children in wet swimsuits all day.

Learn to Swim

Learn to Swim is an optional group swim lesson for beginning and advanced beginning swimmers. If your child is enrolled in Learn to Swim it is advisable to send them to camp with sunscreen and a swimsuit on under their clothing. Please include a plastic baggie for their wet swimsuit. For the comfort of your camper it is suggested that you send a second dry swimsuit with your camper for their recreational swim time later in the day. Please note: Learn to Swim is a morning lesson; lessons missed due to camper tardiness will not be made up. Learn to swim progress reports are sent home at the end of each camp week.

Please Note: Enrollment in Learn To Swim may affect our ability to accommodate group/friend requests.
